

The Beaufort Dog Newsletter

May 2010

WELCOME KELLY SCHNEIDER!

It may be confusing, but we have another Kelly working with us. Many of you know her already.

She has two dogs that have attended day care for some time, and she has covered for me while I was out of town last week. She has trained under both Becca and myself to provide the best care for your pet. It is very important to us that we have quality people trained with and by behaviorist to watch over all playgroups. No other daycare or boarding facility can boast of such a high level of trained supervision. You will most likely see Kelly on Tuesday, Thursday, and Saturday mornings.

CURRENT EVENTS

Beaufort Dog on Boundary Street has installed a secondary outdoor yard so that we can divide dogs into outside play groups and better accommodate dogs with special needs.

Be sure to stop by and check it out if you haven't already!

POOL REOPENING FOR SUMMER 2010

Beaufort Dog is the coolest place for your pooch to hang out for several reasons. In the summer, one is our water park.

Join us for the Re-opening on May 15, from 11-1 at 1307 Boundary Street. All dogs providing proof of current vaccinations and their well-behaved owners are invited, free. After the grand re-opening, the water park will be open on Saturdays from 11-1 for public use at a fee of \$5 a dog. Dogs boarding or attending day care will have access all week.

SIGN UP FOR AGILITY

We will be starting a new agility class this summer. Classes will be on a weeknight and last for 6 weeks. This is a very basic class, so no experience necessary. We have a lot of fun and it's a great way to bond with your dog! Please email Rebecca at rebecca@beaufortdog.com for more information or to sign up!

BEAUFORT DOG IS ON FACEBOOK

If you have a Facebook page, be sure to become a fan of Beaufort Dog. Rebecca has been keeping it updated with photos and videos, so check it out. Your dog just may be a Facebook star!

FEATURED PRODUCT:

OPTIMA 365

While some dogs may shed more than others, shedding all the time is not normal for any dog. Excessive hair loss can be a sign of a nutritional deficiency in a dog, particularly of Omegas 3 and 6, and other essential fatty acids. That is why we use and recommend Optima 365 for shedding, dander, and even itchy skin. Stop in and ask us more about this great product!

SUPERIOR STUDIOS IS COMING TO BEAUFORT DOG!

Get your family portrait taken with your beloved pooch! Superior Studios is coming to Beaufort Dog on May 22. Call or stop by to make an appointment, or if you have any questions. There is a sitting fee of \$15 to be paid when the appointment is made.

THANKS FOR VOTING US BEAUFORTS FAVORITE GROOMER!
