Frequent Buyer Program

Beaufort dog is proud to offer frequent buyer programs for Orijen, Canidae, and Nutro. Please come in and get your collection envelopes to receive your free bags.

We are welcoming two new part-time employees, one is David, a professional groomer of 6 years who lives in Bluffton and will be helping us out a few days a week and one is Emma Kane.

Emma holds a B.A. from Union University in Jackson, Tennessee. She loves animals, is working toward and groomer certification, and is thrilled to get to play with your dogs.

Please introduce yourself when you meet them.

To My Beaufort Dog Family:

It is with great sadness and the heaviest of hearts that I announce my resignation from Beaufort Dog. My husband has received orders for recruiting duty, and we will be leaving Beaufort by the end of the year. I had originally intended to stay around a bit longer, but due to some personal family issues, I am needed back home in Pennsylvania.

I want to thank you all for trusting me to care for your beloved pets. I had so much fun getting to spend time with your dogs while you were at work or on vacation. I am also grateful for the

I'd like to thank each of you by name, but I fear I'd leave someone out and I don't want to hurt feelings.

I thank you all for the friendship and the great conversations. With many of you, I do feel like a small part of your family.

I want to thank Jason and Kelley for giving me this opportunity, and for allowing me to spread my wings. I learned so much working for them, and it has truly changed my life's course. Who would have guessed that just 2 years ago I was graduating from college with the intention of working with *people* for a living someday? I truly feel as though I've found my calling, and I'm eternally grateful to those of you who have been a part of this journey with me.

Feel free to keep in touch with me. I'm on Facebook and my email will remain Rebecca@beaufortdog.com. God bless!

Rebecca Ponce, Manager/Trainer/Food Guru

We are now offering early morning pick-up for a small fee to accommodate those of you having trouble getting your dog here before work. Call us for more information.

What would you do if your dog started convulsing, was choking, or inhaled smoke? How about stopped breathing or had a seizure? Beaufort Dog, TCL, and The Red Cross are hosting a Saturday Pet First Aid Certification workshop on November 13, from 9:00 am to 3:00 pm to ensure everyone knows the answers. Please call us for details on how to sign up. Can't make it...reserve your copy of the instructional D.V.D.
